CE category	В

MOTORISATION 2 x Mercury 3.0L V6 270 HP Diesel Brave three duo prop sterndrive

Disclamer: All the performances are indicative and realzed with boat in standard condition, clean hull, with calm sea and wind and the test load conditions. This technical specification is not contractual; the purchase contract will be concluded between parties, and will therefor be prevalent. The 'Gagliotta' therefor reserves the right to modify at any time the technical specification of any boat, including the technical specifications and general plan.

# **MODERN ELEGANCE**

# DISCRIPTION

### Hull

The hull is in vinylester resin; bottom and side are in sandwich with quadriaxial fabrics and core in Termanto and vinylester resin; varnishing in ivory white isophthalic gel coat.

### **Exteriors**

Teak deck. In the aft cockpit there is a dinette for 8 people with a retractable table. Below the top is the kitchen cabinet with a worktop in synthetic material, a ceramic hob and a polished stainless steel sink with hot / cold water mixer. This piece of furniture is equipped inside and has the external finishes in mahogany essence. Cabinet with cockpit fridge and internal shelves. The external finishes are in mahogany.

### **Below deck**

Below deck, the boat has a unique environment, with a sofa, two beds and a wardrobe. The curved bulkhead of the bathroom can be covered with leather panels. Wall coverings in fabric and sky. The headboard of the bed is in fabric. Side shelves, bed strips and sofa in precious wood. Parquet in essence. All accessories are in polished steel.

### Bathroom

Bathroom top in synthetic material with sink, faucet and pull-out shower, corian grating, electric toilet with black water tank.

# **Electrical system**

12V electrical system, 200Ah engine batteries, 1 x 12V / 200 Ah service batteries, battery charger, 220V distribution system, shore power socket, electrical panel.

# **Engine compartment**

Volvo Penta D4 Common rail 3.7 270hp Mercury 3.0 L 270Hp V6 diesel

### **Dashboard**

Gps / Plotter, complete instrumentation provided by the mother companies of the engines, fuel and water level indicators, compass, VHF, HI-FI system, 4 loudspeakers, trim control.

# Plant engineering

Automatic and emergency bilge system, boiler, autoclave, external shower, automatic fire extinguishing system, gray water system, black water system, electric winch, window wiper.

# TECHNICAL SPECIFICATIONS - OUTSIDE

# **COCKPIT**

Reinforced fiberglass windshield with tempered 6mm glass and wiper system

Hard top GRP sandwich, with manual sliding doors with plexiglass of Limit locking system, support handles, recessed spotlights, sky fiberglass finished with sky panels.

Two cleats in polished stainless steel Shower retractable cold water

Retractable folding teak table with electric lifting foot Pockets lockers under the couch

C sofa cushions for 8 people in sky

Electrical socket 220 v 30A (for USA 110v 50A), watertight to shore connection, stainless steel AISI 316

Coating teak cockpit

Tailgate access engine compartment with a gas piston opening

Access door stowage locker

Mobile kitchen equipped with stainless steel sink, electric plate hob, in Corean work plan, refrigerator, stowage shelves

Side coating protection plates of fine wood or upholstered in sky

Companion way hatch access in the cabin with manual shift.

Command post with rapid interception levers of Diesel and local hard drive fire engine plant.

MP3 stereo with marine external speakers

# **BOW**

- Windlass 1000W, 12V
- Local control windlass
- Anchor "Trefoil" from 10 kg with 40 meter of 8mm chain.
- Locker chain container provided with drainage
- Protection of the bow roller, polished stainless steel
- Cold water shower inside the anchor locker
- Sundeck cushed on deck with water run-off, and cushions in sky
- Support handles on bow sundeck
- Manhole inside cabin
- Two anchor rollers in polished stainless steel (eye cubia)
- Two cleats in polished stainless steel
- The indoor teak coating
- Coating of the hull to deck flange with wooden gunwale

# TECHNICAL SPECIFICATIONS - INTERNAL

# **OWNER'S CABIN - DINETTE**

Bedheads covered in matching fabric Reading lights bedhead 3 Portholes Built-in one/two doors and drawers, shelf and coat rack Darkening manhole wooden / fabric /sky

3 Seater sofa convertible into a single bed complete with cushions

Shelves at the side
Furniture bar
Wood paneling
Covering in fine wood floor
Mobile with electric panel v 12/220 (110V for USA)
Access ladder deck two fine wood steps

# **BATH**

- Washbasin with hot / cold water mixert extractable
- Furniture with mirror
- Shower with greedy self bailing
- Furniture equipped down
- Storage compartment
- Bathroom accessories (soap dish, glass, clothes hanger, towel racks, etc.)
- Mirror wall
- · Grating teak or Corian
- Access door with architrave
- Porthole

### EXTRA'S

- Closed cabinet under bed with shelve and door
- all painted interior, nice painted finish of the floor
- usb chargers in power sockets
- door in front of electric power switches dashboard

# TECHNICAL SPECIFICATIONS — ELECTRICAL SYSTEM

# MAIN FEATURES

Full system is constructed in accordance with EC rules Wirings are grouped into PVC closed conduits, made with materials, flame retardant and section dimensioned in function of the current user usage.

Main distribution electric panel in the cabin, with undercuts for navigation lights and bilge pumping system. Control of key security utilities, navigation and functionality is performed by switches and buttons located on the steering console.

# **ENERGY SOURCES**

Socket watertight dock 220V, 30A, 50Hz, which feeds the main electrical panel with power selector to 220V (Different for US Market). Battery 12V, 200Ah, sealed, maintenance free, for the supply of onboard services

Battery 12V, 200Ah sealed maintenance-free, high inrush, for engine starting.

A 3-way charger, 60A, for charching batteries engines, services and generator

# LIGHTS AND SOCKETS

- Illimination of the engine room and technical stowage lockers and ceiling lights with 12V waterproof
- Lighting accommodation has the following type:
  - Cabin and Dinette
    - \* Ceiling lighting LED spotlights controlled wall recessed.
    - \* Reading light headboard with local power
    - \* Taking cabin 220V or bath (110V for the US market)
  - Bath
  - \* Ceiling lighting LED spotlights controlled wall recessed.
  - \* Bathroom Dial 220V (110V for the US market)
- External cockpit lighting with type pond lights with IP class 60 and contral dashboard.

# **CONTROLS and ALARMS**

- Swith for the insertion and the disconnection of the earth connection on the main board
- Command for the generator start-up
- MCB on the main electrical panel
- · Alarms engines on the dashboard

# TECHNICAL SPECIFICATIONS

# **ELECTRONIC**

Raymarine VHF Raymarine 12' chart plotter with sounder module built Rudder angle indicator

2 Flap position indicators

3 electric pumps immersed 12V automatic with 1 in engine room, 1 in the local tanks and 1 in the local accommodation

3 electric pumps with 12V, emergency bulkhead, controlled from the dashboard with 1 in the engine room , 1 in the local tanks and 1 in the local accomodation  $\,$ 

Armed and approved waste pipes.

Kitchen sink and wash basin discharging overboard

# **EQUIPMENTS and SEAFARINGS**

Hook closure strips 8 lifejackets 6 fenders F2 Life buoy Rocket kit case Briefcase emergency room Light buoy 2 mooring lines

# FRESH WATER and COOLING

- The system is powered by two tanks connected together of about 200 liters.
- The water is brought to the fuel by means of an autoclave at 12V, which serves the kitchen sink, bathroom sink, the shower, the shower heads bow and stern.
- 20 Liter electric boiler for the production of hot water.
- The engines are equipped with the cooling system with fresh water heat exchanger, cooled by sea water drawn directly from the stern.
- The generator is equipped with a cooling system with fresh water heat exchanger, cooled by sea water used with bronze seawater intake, with ball valve and filter.

# **UPHOLSTERY** and FURNITURE

## **OUTSIDE**

- Pilot seat covered with sky
- Sofa outdoor deck with individual cushions with interiors of closed cell materials and coating in sky
- External side sofa upholstered in sky

### INTERIOR

- Interior Sunbrella fabrics in green
- · Cover in fabric head board
- Internal couch coating
- Mattress memory foam
- Covering the bathroom bulk head in leather
